"Tommy Keys is a triple threat of songwriter, engaging vocalist and ace barrelhouse boogie and Blues pianist..." - Noggin, Blues Matters! Magazine

"Blues pianist and vocalist Tommy Keys may be a Long Island native, but his music feels more like gumbo with a shot of bourbon than fried clams and iced tea." - Jon Kleinman, Elmore Magazine

"The Man in the Moon" is probably Keys' best work yet, and it's a winning combination of styles all fueled by his formidable keyboards and vocals. - James "Skyy Dobro" Walker, Blues Blast Magazine
